Dear Family of Faith,

In response to the latest information we have about COVID19 and the worldwide efforts to limit its spread, we ask that you join with us in praying for God's gracious power to bring healing and protection.

We will continue to gather as a congregation for our times of Bible study and worship but are providing the following preparations:

- * Our buildings are always very well cared for and cleaned. In addition, we have provided access to hand sanitizer in all of our buildings and encourage its use.
- * If you feel ill or have been exposed to COVID19, we ask you to self-quarantine and join us online instead. If you are in a high-risk group, we encourage you to exercise wise and prayerful discretion. Our worship service is live-streamed on Facebook and archived on YouTube for your needs. Make sure you have subscribed to our pages to get the latest information.
- * We invite each of our members to visit our homepage at faithprinceton.org where you will find access to Sunday School lessons, weekly bulletins, online giving, and other pertinent information about church family life at Faith.
- * If any of our members become ill or feel like they need to stay indoors in the coming days and weeks, we have men and women ready to serve the needs of our congregation. Please notify the church office at 972-736-3733 or send an email to faithprinceton@faithprinceton.org, and we will mobilize our servants to help meet those needs.
- * Devote yourselves to praying for each other and demonstrating a strong faith in the Lord Jesus Christ. As one of our past VBS verses reminded us: For God has not given us a spirit of fear, but one of power, love, and sound judgment. (2 Timothy 1:7, CSB)
- * Since the PISD is closed next week, we were asked if we could do a special food distribution for those families who depend on free and reduced lunches to help feed their children. We will host a drive thru service to provide these families with some groceries on Monday evening from 5 to 7 pm. We believe we have enough staple goods but could use some kid-friendly snacks to add to it. Please feel free to drop those donations by the church office or bring them with you on Sunday.

We love you Faith Family, and we know that God will continue to work His good purposes in your life this week.

In Christ,
Your Pastoral Staff
